Sir

With reference to my application dated 7th November 1911 requesting for a monthly grant of a palla of rice to Brahmasri Devangondy Narayana Saeby who has been reciting Puranas and imparting religious and moral instruction in the Southern Extension of Bangalore, I beg to state that the poor pundit in these days of scarcity and high prices has been put to considerable hardship for want of sufficient remuneration.

I might state here that when I submitted the said application he had a large offer from the Bombay side, but I persuaded him to remain here awaiting the reply of Government.

It will be a pity to stop the good work he has been doing for the last three years

years If the grain applied
be sanctioned, it is humbly
that a money grant of Rs 15/- per
month may be sanctioned from any
miscellaneous savings in the Hungary
Department.

As the gentleman is highly
respected by the people for his learning
piety and devotion, I have a great
mind, if his services can be
secured here, to make him deliver
fortnightly lectures in Kanarese
on moral subjects, for the benefit
of the public, in addition to the

The daily allowance of ½ seer of rice granted to one Kalliah in Government order No.-- 1044-5/Muz.F.5-09 dated the 7th November 1911 having since been added on to the expenses of the Chattram at Closepet there will be practically no savings.
